

Game Day Read for Lace Up Game

Good Afternoon/Evening, everyone!

Thank you for joining us for today's game between **[Team]** and **[Opponent]**.

You may have noticed our team wearing **gold laces**. We are proud to support the **Go4theGoal Foundation** and their **Lace Up 4 Pediatric Cancer®** initiative. Since 2011, this program has been making a difference in the lives of children battling cancer by providing financial assistance, granting wishes, funding critical research, and developing unique hospital programs.

By wearing gold laces, **[Team]** is raising awareness and showing our commitment to making a difference for these brave kids and their families.

We invite you to learn more about **Go4theGoal** and how you, too, can help make an impact. Together, we can bring hope, support, and resources to children fighting cancer.

Thank you for your support and enjoy the game!

If your team has a QGiv page
